**AN ORDINANCE**

An Ordinance of the County of Allegheny, Commonwealth of Pennsylvania, amending ordinance 23-23-OR in order to extend the deadline for finalization of a climate action plan by the Allegheny County Department of Sustainability to July 1, 2025.

**Whereas**, on September 1, 2023, former Chief Executive Fitzgerald signed Bill No. 12695-23 into law as ordinance 23-23-OR; and

**Whereas**, the terms of Section 2 of ordinance 23-23-OR required that “[t]he Allegheny County Department of Sustainability shall formulate, develop, and present to Council and the Chief Executive a Climate Action Plan for Allegheny County no later than July 1, 2024. Such plan shall be consistent with the goals established by the City of Pittsburgh and Commonwealth of Pennsylvania Climate Action Plans to the extent practicable. Once presented to the Council and Chief Executive, the plan shall become effective via duly enacted ordinance of the County.”; and

**Whereas**, although current Chief Executive Innamorato has indicated through her staff that progress is being made toward formulation of the Climate Action Plan required by ordinance 23-23-OR, it is now established that the July 1, 2024 deadline will not be met; and

**Whereas**, it is the judgment of Council that this is not due to any intentional effort by the current administration to avoid formulation of a Climate Action Plan, but rather it is a function of the current administration’s desire to do so in a deliberative, thorough fashion; and

**Whereas**, it is accordingly the judgment of Council that the deadline should be extended to July 1, 2025 in order to provide sufficient time for these efforts;
