An ordinance of the County of Allegheny, Commonwealth of Pennsylvania, amending Article 1013 of the Administrative Code of Allegheny County, entitled "Political Activity; Accountability, Conduct and Ethics Code," §5-1013.09(G), entitled "Patronage/Nepotism," in order to alter the provisions relating to County employment.

Whereas, the Administrative Code of Allegheny County, §5-1013.09(G) as currently worded establishes an outright prohibition upon the employment of any County official or County officer's family members by Allegheny County, regardless of a candidate's qualifications, education, or experience; and

Whereas, it is the judgment of Council that, while well-intentioned, the existing language of §5-1013.09(G) is unnecessarily restrictive, insofar as the goal of the anti-nepotism provision is to forbid preferential treatment in the hiring process or during performance of day-to-day duties, rather than to reflexively rule certain individuals ineligible for County employment based solely upon a single factor (family membership) over which those individuals have no control; and

Whereas, it is further the judgment of Council that the existing language of §5-1013.09(G) functions to the detriment of the County's residents and taxpayers, to the extent that it prohibits highly qualified individuals with a desire to serve as County employees from having any chance at doing so; and

Whereas, it is further the judgment of Council that the existing language of §5-1013.09(G) also has significant potential to force extremely difficult decisions upon current County employees, for example in situations in which a parent's position with the County would impede that parent's child in pursuing his or her career; and

Whereas, the Home Rule Charter of Allegheny County, Article IX, §2 expressly requires that the County utilize "a personnel system based on merit principles for all employees of the County."; and

Whereas, to the end specified by the Charter, the Administrative Code of Allegheny County, §5-1001.03.B. specifically requires that the County’s personnel system operate by “[r]ecruiting, selecting and promoting employees on the basis of their respective abilities, knowledge and skills required for the position, as determined through open and competitive means.”; and

Whereas, it is the judgment of Council that the Patronage/Nepotism provisions contained within the County’s Ethics Code operate in direct opposition to the concept of a merit-based personnel system, to the extent that they automatically render certain individuals ineligible for County employment based on factors that have nothing whatsoever to do with abilities, knowledge, or skill; and

Whereas, it is accordingly the desire of Council to render the Patronage/Nepotism provisions consistent with the Charter and Administrative Code provisions relating to the merit-based personnel system, while still prohibiting the exercise of undue influence by covered persons on behalf of family members;

The Council of the County of Allegheny hereby enacts as follows:

SECTION 1. Incorporation of the Preamble

The provisions of the preamble to this Ordinance are hereby incorporated in their entirety by reference herein.

Article 1013 of the Administrative Code of Allegheny County, entitled “Political Activity; Accountability, Conduct and Ethics Code,” Section 5-1013.09(G), entitled “Patronage/Nepotism,” is hereby amended as follows:
