An Ordinance of the County of Allegheny, Commonwealth of Pennsylvania amending the Section 5-1007.11 of the Allegheny County Code of Ordinances entitled Residency.

WHEREAS, since the time of its adoption in June 2020, the County's Administrative Code has contained a provision generally requiring all persons employed in Allegheny County Government to be residents of the County or, if not a resident of the County at the time of applying for employment, to move to and live within the County within one year of appointment and acceptance of such employment; and

WHEREAS, County Council has amended the residency requirements, now codified at Section 5-1007.11 of the Allegheny County Code of Ordinances, several times in order to address the County's need to hire persons with special skills needed for certain County positions; and

WHEREAS, the several amendments to the residency provisions in Section 5-1007.11 of the Allegheny County Code of Ordinances have utilized inconsistent language and terminology that could create confusion in the application of the County's residency requirements.

The Council of the County of Allegheny hereby enacts as follows:

at the time of the adoption of the Administrative Code shall not be required to establish residency within Allegheny County to maintain his/her status as a County employee; but if such employee does establish residency within Allegheny County, that employee must maintain residency within Allegheny County throughout his/her employment with the County.
